Dear Sir:

PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

At the end of the 6 month response period, applicant's attorney received instructions to file a continuation application. In the rush to file this continuation application (Serial No. 12/753,175, filed April 2, 2010) on the last day of the 6-month response period, the need to file a Petition for a 3-Month extension of time in the parent application was inadvertently overlooked. Therefore, the parent application was unintentionally abandoned prematurely, i.e. at the end of the 3-month shortened statutory response period rather than at the end of the extended 6-month response period, as clearly intended, as evidenced by the priority claim in the continuation application as filed. Approval of this Petition to revive is respectfully requested.

Respectfully submitted,

Jeff Rothenberg, Reg. No. 26,429
Attorney for Applicant
